Students Achieving Success

There is nothing better that I have found on this amazing planet, than to be around children who achieve success. Please, look at the joy of the children in the cover photo as they cheer and are so thrilled about the success of others. I have had children run up to me in the playground and in classes during the past week eager to tell me they are now on a new reading level, or are now able to write sizzling sentences, or are able to read numbers in the thousands. I am always excited to celebrate these milestones in learning and encourage you to ask your wonderful children. "What did you learn today?" I know you will be amazed by the answers your children give you.

Thank You Mrs Prasad

I would like to thank Mrs Prasad who has been a wonderful teacher to 1/2A while Mrs Maton has been on leave. We have been very fortunate to have Mrs Prasad in our school when teachers have been away. She is always ready to

bring her expertise into our school and has she has very good understanding of the needs of our children. Thank you Mrs Prasad.

St Marys Under The Stars

Ladies and Gentlemen... St Marys Under The Stars is back! We will be holding this wonderful showcase of student talent in the last week of this term. We are excited to bring a new and improved St Marys Under The Stars to our community. Please watch out for announcements on Skoolbag and in future newsletters about this wonderful community event.

Skoolbag

If you do not already have the St Marys Skoolbag app on your phone, please download it as this is one of the main forms of communication between school and home. It is also where alerts are sent through. If you do not know how to get this, please come and see our friendly office staff who will be happy to help you.

Brilliant Work From 1/2B

This term, 1/2B have been learning to persuade people about their point of view. Here are some samples about which chocolate bar is the best.

I absolutely believe that Kinder Surprises are the best chocolate. They are delicious and tasty.

I truly believe that the best chocolate is Popping Candy chocolate because it feels like little people jumping on your tongue.

I absolutely believe that Freddo Frogs are the best chocolate because it is gooey and soft when it's melted.

I absolutely believe that Maltesers are the best chocolate in the world as they are yummy and awesome to eat.
