1 FEBRUARY 2019

Calendar

From The Principal

Dear staff, students, families and carers,

I would like to warmly welcome all our children and families to St Marys Public School for 2019. It has been wonderful to see so many children returning this week with huge smiles ready for the excitement of the new school year. I would especially like to welcome all the new children and families who are beginning their learning journey at St Marys Public School this year.

I would also like to welcome new staff members who will be joining our school community this year. Mrs Pomeroy will be teaching a senior class.

Mrs Jackson will be providing support to many of our children, including those who have English as an additional language. Mrs McKenzie will be working closely with our community as our Community Liaison Officer. Mrs Kosovich and Mrs Bain began working as School Administration Officers at the end of last year and will continue in 2019.

This week you will notice that besides our new Kindergarten children, all other children are working with the same class they were in during 2018. This will allow us to finalise our numbers while ensuring all children are involved in meaningful learning experiences from day 1. We hope to form our new classes for 2019 next Monday. I know that all staff and students are looking forward to this exciting time.

I will provide a full list of staff members and their roles in the next newsletter after the 2019 classes have been formed.

Helping Hands 2-3pm

There is a forecast of some hot weather in the next few days. To help ensure the health and safety of our children, please ensure your child has a hat as hats need to be worn when outside. It is a good idea for children to bring a water bottle to school and to drink plenty of water during the day. In the event of extreme heat, students will stay inside our air conditioned rooms during breaks.

2019 is shaping up to be an exciting year of learning and fun at St Marys Public School. We look forward to working with you as partners in the learning journey of your children.

Only competitors will be attending the carnival. It is essential your child can swim 50m unaided.

Children should wear house colours on the day and will need to bring a hat, towel, swimmers, sunscreen, a t-shirt or swim shirt, recess, lunch and drinks. A canteen will be operating on the day for small items only.

The cost to attend the carnival is \$10, which includes entry, pool hire and life guards. If your child is a capable swimmer please fill in the permission note with all necessary information and return to the office by **Friday 1st February, 2019.**

School Opal Card

As part of our campaign against fare evasion, and our on-going commitment to provide the level of service needed to transport students to and from your school, Busways conducts regular checks of School Opal card.

All students must be in possession of a valid Opal card or pay a fare.

Students in possession of an Opal card must also tap on/off with their card when boarding our buses.

This is important, because the Opal data collected determines the level of service we are able to provide to your school. If students don't tap on and off, the services will appear underutilised and may be considered for cancellation based on low passenger numbers.

To apply for a School Opal card or to report a lost or stolen card, go online to www.opal.com.au/en/about-opal/opal-for-school-students/

Students who are ineligible for School Opal will need to purchase a Child/Youth Opal card or pay a fare to travel on our buses.

Thank you in advance for your assistance and support.
