

From the Principal

Term 4 and Summer Uniform

Term 4 resumes on Monday 9th October and ends on Friday 15th December. There is no School Development Day at the beginning of Term 4. We look forward to all children wearing their full summer uniform, including a sun safe school hat, from the beginning of Term 4.

School Bytes

Next term we will begin using a new admin and student management system. The School Bytes system will go live in Week 5 of term 4. Please watch out for announcements and information about School Bytes as this will be a new way to sign permission notes, make payments and receive information about activities at school.

Fathers Day Stall

Thank you to our P&C and parent volunteers for running the Father's Day Stall. We hope dads, or other special people, enjoyed their gifts.

Student Behaviour During Excursions

I am always delighted to hear about the behaviour of St Marys Public School children when they are out of the school for events and excursions. I received an email from the teacher in Charge of the School Swimming and Water Safety Program who wrote the following about our children;

We all found them to be great listeners and enthusiastic participants in all aspects of the program. I was particularly impressed with how supportive they were of each other and with the way some of the older students helped with younger students.

Whatever you're doing at St Marys keep it up, because as a teacher who is coming up for 50 years in Public Education I can tell your students and staff rate right up there with the best I've taught.

I also received a phone call from a staff member of another school commending the behaviour of our Senior dance Group when they attended the Blue Mountains Nepean Dance Festival at the Joan Sutherland Centre.

I have to tell you that we are so proud of our children who are such safe, sensible and respectful learners. Well done St Marys children.

Happy Holidays

On behalf of the entire St Marys Public School staff, we wish our students a safe and restful holiday. We hope that you are able to spend some quality time together as a family and enjoy the Spring weather. As mentioned earlier, there is no School Development Day at the beginning of Term 4. Students return on Monday 9th October.

Kind regards

Robert Linas, Principal.
